Welcome to the first FIWARE Summit

Malaga, 13. – 15.12.2016

Ulrich Ahle

FIWARE CEO

ulrich.ahle@fiware.org

FIWARE Foundation Mission

Overall FIWARE Mission

To build an open sustainable ecosystem around public, royalty-free and implementation-driven software platform standards that will ease the development of new Smart Applications in multiple sectors.

FIWARE Foundation

The FIWARE Foundation is a legal independent body providing shared resources to help to achieve the FIWARE Mission by Empowering, Promoting, Augmenting, Protecting, and Validating the FIWARE technologies and the whole Community around them.

Implementing Smart Solutions requires gathering and managing context information at large scale

Smart Cities
