JOIN OUR THRIVING ECOSYSTEM AND ACHIEVE YOUR GOALS

Together with its members and partners, FIWARE Foundation drives the definition – and the Open Source implementation – of key open standards that enable the development of portable and interoperable smart solutions in a faster, easier and affordable way, avoiding vendor lock-in scenarios, whilst also nurturing FIWARE as a sustainable and innovation-driven business ecosystem.

PUBLIC SECTOR SUCCESS: GUARANTEED.
- Forge best-fit solutions through proven provider partnerships.
- Seamless interoperability across administrations.
- Navigate data regulations with confidence.

PRIVATE SECTOR GROWTH: AMPLIFIED.
- Reach new markets through our powerful community.
- Connect with key decision-makers for profitable partnerships.
- Monetise innovations via IP creation and project qualification.

Ready to extend your reach?
Accelerate your growth with a connected ecosystem that drives measurable success. Unlock global markets seamlessly with trusted partners, fostering de-facto standards across the entire network.
