

FIWARE Startup Day

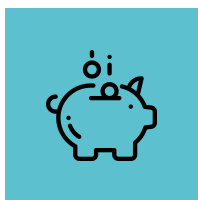

Get Startup-ready in 6 Hours!

We are your Open
Community - Come and join
FIWARE Open Source

Brand awareness

With over 1,000 FIWARE participants and over 10,000 visitors of the Smart Country Convention under one roof, there will be tons of journalists around representing leading publications. FIWARE is also creating tailored multimedia content **reaching audiences in Germany, Europe and across the world.**

Funding

Investor meetings can be hard to get and long in preparation. This Startup Day will allow you to get closer to VCs and show you how to access project funding. **Get startup-ready in 6 hours!**

Networking

You don't need to run through long and complex sign-up processes. **Come prepared and get as close as it gets to VCs and FIWARE C-level management.** We bring together startups with VCs, FIWARE C-level Management, FIWARE members and business people, associations, and press to offer real opportunities. Expect clear hands-on tips!

Be recognized by VCs

With a dedicated stage in front of 1.000 seats and a lounge reserved for your talks with VCs and FIWARE specialists, this Startup Day will help you take your idea to the next level. **Come to Berlin, the most buzzing startup city in Europe.**

Meet FIWARE's CxOs

Drawing from our comprehensive cooperation network, startups will get the opportunity to "Meet the CxO" to learn directly from the experiences of high-ranking decision makers from the foundation. **Want to meet the CEO in person in a small group? Win one of 10 seats in the raffle!**
