# FIWARE University Roadshow Overview

FIWARE University Roadshow is a program designed to offer to European Universities (and not only) a package of services to enhance students' skills and knowledge on Open Source technologies and Open Data.

FIWARE's goal is to provide a wide range of learning tools to contribute to the growth of the next generation of Open Source developers and give ideas for use-cases and business opportunities.

A dark blue rectangular graphic with white and light blue text. At the top left is the FIWARE logo (a stylized 'F' in a circle) and the text 'FIWARE Open APIs for Open Minds'. Below this, the text 'FIWARE University Roadshow' is in light blue, followed by 'The Program to Empower the Next Generation of Developers!' in white. At the bottom, a list of questions and a call to action is written in white.
